***In this very different year,
We Want YOU to Get Connected!***

The CPA raises money in support of the school, teachers and students and builds school community.

We raise money for classrooms, infrastructure, and educational events for students and families.

We are a small school and fundraising in the community will be harder this year. We need your help! Join and spread the word! Relatives and friends can become members and/or donate.

You do not need to attend virtual meetings but of course we love it if you do! There are many ways to CPA – join, donate, bring ideas, volunteer time and skills.

Join the CPA today to build our school community!

Civano Parent Association

Together we can do more for our kids!

What Is the CPA?

The Civano Parent Association (CPA) exists to provide support to the Civano Community School grades K-8 (both elementary and middle school). We are a local chapter of the Arizona PTA/National PTA.

CPA Is for Parents, Grandparents, Friends and Neighbors!

We strive to build an inclusive and diverse CPA where every parent/guardian at our school is a member and we have broad community membership. The CPA is one way we build community at the school. Joining the CPA is an important way to invest in *your* child, improve the school and support teachers in the classroom. CPA isn't just for parents/guardians! The CPA is for EVERYONE! Grandparents, neighbors, relatives and friends can all join and donate to support the school. Member dues are a critical source of funding so the more the merrier! Donations are tax deductible.

What Does the CPA Do?

The sky is the limit! Dues and donations provide for classroom grants and supplies, general campus needs and some student-only events. We take great care to ensure that no donated funds (unless expressly requested) pay for any all-family social events. We are a small school, any donation amount helps!

Do I Need to Attend Meetings?

There are MANY ways to be a member of the CPA! There is no right way. You can give money by joining and donating. You can spread the word about school fundraisers. You can bring your ideas, skills and talents to the meetings or advocate in the broader community. You can volunteer your time and effort. You are invited and any level of participation is welcome.

How Do I Become A Member?

Fill out a membership form below and pay the CPA member dues. Memberships are per adult, not for a household so each adult member of your family can join!

What are the Membership Dues?

CPA member dues are \$20 per member for the 2020-2021 school year. After National PTA dues, \$15 of this stays at Civano. We rely on member dues for a bulk of our budget and for our small school every bit counts! In addition to dues, donations of any amount are always welcome whether you become a member or not!
